Zymmetry Group awarded “China’s Top 100 Innovative Companies 2009”

China Beijing, 17 January, 2010 – Zymmetry Group, leading provider of apparel technology solutions, was awarded "China’s Top 100 Innovative Companies 2009" in the annual forum organized by Innovation China in the Great Hall of the People in Beijing. Zymmetry Group’s CEO, Mr. Edgar Tung, was named one of China’s Innovative Leader in 2009 during the occasion.

The “China’s Top 100 Innovative companies Award 2009” was jointly organized by Chinese Association of Productivity Science(CAPS), China Marketing Association and China Enterprises News, with CCTV-2 “China Business Report” and Science Foundation of China Enterprise Management as supporting organizations. Judging criteria of the award included industry innovation, integrity, influence on and contribution to the reform and development of enterprises in China. Zymmetry was awarded based on its exceptional innovation and remarkable achievements demonstrated during the financial crisis.

Commenting on the occasion, Mr Tung said, "Zymmetry Group is committed to continued technology innovation in the apparel industry and we are delighted that our efforts and creativity are recognized. We will continue to develop our product and services to reinforce our position as the leading technology solution provider in soft goods industry."

###

About the Zymmetry Group

Founded in 1989 as MSC Limited, the Zymmetry Group is a leading global sourcing and manufacturing solutions provider for the apparel industry. Headquartered in Hong Kong with offices in New York and China, the Zymmetry Group has customers ranging from global brands based in the United States, to large global manufacturing enterprises based in Asia.
